This is a summary of our insurance policy. You will find all the terms and conditions (along with other important information) online and in the policy documents.

What is this type of insurance?

This insurance provides the compulsory cover you need to ride a motorcycle on a public highway. It also offers additional benefits (as set out below) depending on the cover you choose.

What is insured?

Third party, fire and theft

- ✓ Damage to other people's property, and compensation for other people's death or injury (third party cover), if you are at fault
- ✓ Loss of (or damage to) your motorcycle by fire, theft or attempted theft
- ✓ New motorcycle replacement – if you've owned your motorcycle from new, and it's written off by fire or theft, or stolen and not recovered within six months of purchase, we'll replace it with a new one of the same make, model and specification
- ✓ Accident recovery – we'll recover your motorcycle after fire or theft, and take you to where you need to be
- ✓ Aviva approved repair service – we will guarantee repairs for three years
- ✓ Continental use – we will provide the necessary cover to comply with the laws of compulsory insurance while you're riding in EU countries and certain non-EU countries
- ✓ Riding other motorcycles – we'll cover you (third party only cover) to ride other motorcycles (not belonging to you or being hired to you)

Comprehensive

All of the above, plus:

- ✓ Accidental or malicious damage to (or loss of) your motorcycle
- ✓ New motorcycle replacement – if you've owned your motorcycle from new, and it's written off in an accident or as a result of malicious damage within six months of purchase, we'll replace it with a new one of the same make, model and specification
- ✓ Accident recovery – we'll recover your motorcycle after an accident, and take you to where you need to be

What is insured? Continued...

Optional cover

- Motor Legal cover - help with legal costs if you attempt to recover compensation or financial losses after a motor accident that's not your fault
- Foreign Use - covers you while riding abroad (provides similar cover to your policy at home)
- European Breakdown cover – includes onward travel options and European legal services

What is not insured?

Main exclusions only

- ✗ Any accident, injury, loss or damage while your motorcycle is being used for purposes not described on your certificate of motor insurance, or while being ridden by somebody not permitted to ride (or not having a correct and valid driving licence)
- ✗ Loss or damage to helmets and protective clothing
- ✗ Any consequence as a result of war or terrorism – except where cover must be provided under Road Traffic Acts
- ✗ Loss or damage if your motorcycle has been left with the ignition keys
- ✗ Damage arising from loss of use, reduction in value, wear and tear, electrical and mechanical (or computer) failure, breakages
- ✗ Loss of value following a repair
- ✗ Theft of spare parts if the motorcycle isn't stolen at the same time

Are there any restrictions on cover?

- ! For loss or damage claims, the most we'll pay is the market value of your motorcycle at the time
- ! New motorcycle replacement is available when the cost of damage or repair exceeds more than 70% of the motorcycle's UK list price when purchased (including VAT)
- ! An excess will apply to most claims
- ! When riding other motorcycles, you'll only be covered for third party only - not loss of (or damage to) the motorcycle you're riding
- ! If you're involved in an accident where someone else is to blame, we will not be able to recover your financial losses (such as excess) or claim compensation unless you have purchased Motor Legal cover
- ! If you have purchased Motor Legal cover, it will only apply if it is likely you will be successful in your claim against the person responsible

Where am I covered?

- ✓ Great Britain, Northern Ireland, the Channel Islands and the Isle of Man
- ✓ If you've purchased optional Foreign Use cover, your cover will be extended to the countries listed in the 'Foreign Travel' section of our Motoring in Europe booklet (view the booklet at www.aviva.co.uk)
- ✓ Optional European Breakdown cover is provided in the countries listed in the 'European Breakdown' section of our Motoring in Europe booklet

What are my obligations?

- You must take reasonable care to give us complete and accurate answers to any questions we ask - whether you're taking out or making changes to your policy
- You must tell us about any changes to the motorcycle(s) insured (or to be insured) that may increase the amount that needs to be insured or change the limits on your schedule
- You must also tell us about any changes to the people on the policy (including convictions) that may require us to change the terms
- You must observe and fulfil the terms, provisions, conditions and clauses of this policy - failure to do so could affect your cover
- You must tell us about any accident, injury, loss or damage as soon as possible - so we can tell you what to do next and help resolve any claim
- If you need to make a claim, you must give us all the information we need to achieve a settlement or pursue a recovery

When and how do I pay?

You can pay your premium all at once by debit/credit card (a non-refundable credit card fee will apply). You may be able to pay in monthly instalments by direct debit (a variable credit charge will apply).

When does the cover start and end?

From the start date you select, for 12 months.

How do I cancel the contract?

You can cancel your policy within 14 days of purchase or renewal (or on the day you receive the policy documents, if that's later) - we'll refund any money paid, providing the cover's not started.

If you cancel after your policy has started, we'll reduce your refund to pay for the time we provided cover - we'll also charge a fee of £38 (plus Insurance Premium Tax) to cover our administration costs.

To cancel, call us on 0345 030 6921.
