- ✓ This policy will cover you anywhere in the world

What are my obligations?

- You must take reasonable care to give us complete and accurate answers to any questions we ask
- You must tell us about any changes to the information on the schedule
- You must tell us if your main private residence is no longer in the UK
- You must pay your monthly premiums on time
- In the event of a claim you must provide us with all information and evidence we reasonably request
- You must tell us if any insured person no longer meets the eligibility criteria.

When and how do I pay?

Premiums are paid monthly by Direct Debit – the amount will be shown on your schedule.

When does the cover start and end?

Cover starts immediately and continues until your 85th birthday as long as you continue to pay the premiums – unless you die, move abroad or the policy is cancelled by you or us.

For more information, see the 'When this insurance will end' section of the Policy Booklet.

Your policy runs continuously. You don't need to renew this insurance – but we will write to you annually to remind you of the benefits.

You should review your circumstances on a regular basis and consider whether this insurance continues to meet your needs.

How do I cancel the contract?

You have the right to cancel the policy at any time.

If you cancel within 14 days of purchase (or on the day you receive the policy documents, if that's later), we'll refund any money paid – providing no claim has been made. If you have made a claim and then cancel within this period, you will receive a refund for the premium paid less a proportionate deduction for the time we have provided cover.

If you cancel after the 14-day 'cooling off' period, you will receive a refund for any advance premium paid less a proportionate deduction for the time we have provided cover. If any premium is due up to the date of cancellation, we will collect this on the date outlined in your cancellation letter.

To cancel, call 0800 158 3993 or write to us at Aviva, PO Box 3553, Norwich NR1 3DA.
