- what to do if you wish to claim

When making a claim you will need to refer to the information in this booklet, so please keep it somewhere safe. We recommend that you also make a note of your policy number and our contact information separately in case this booklet is lost or mislaid.

Throughout this booklet certain words are shown in **bold** type. These are defined terms and have specific meanings when used in this guide. The meanings are set out in the definitions section at the back of this booklet.

Cover and benefits

The information on these pages details the benefits available under **your policy**.

Some important notes apply:

- This **policy** covers **treatment of acute conditions**.

An **acute condition** is defined as a disease, illness or injury that is likely to respond quickly to **treatment** which aims to return **you** to the state of health **you** were in immediately before suffering from it, or which leads to **your** full recovery.

The **policy** does not cover **chronic conditions**.

A **chronic condition** is defined as a disease, illness or injury that has one or more of the following characteristics:

- it needs ongoing or long-term monitoring through consultations, examinations, check-ups and/or tests
- it needs ongoing or long term control or relief of symptoms
- it requires **your** rehabilitation or for **you** to be specially trained to cope with it
- it continues indefinitely
- it has no known cure
- it comes back or is likely to come back.

- All **treatment** and **diagnostic tests** must be by, and under the care of **specialists** following referral by a **GP**, unless otherwise stated.

- A no claim discount applies to this **policy**. For further details please see aviva.co.uk/health-ncd

You are covered for eligible **treatment**. Eligible **treatment** is **treatment** of an **acute condition**:

- covered under **your policy**, including facilities, services and equipment
- shown by current best available clinical evidence to improve **your** health outcome, at the time **your treatment** takes place
- appropriate for **your** individual care, including how it is carried out, how long it continues and how often it occurs
- carried out by a health care professional, such as a **specialist**, who is qualified to provide **your treatment** and to care for **your** condition, and is recognised by **us**, and
- undertaken because **you** need it for medical reasons.

Where are you covered for treatment?

Expert Select

If **you** have the Expert Select hospital option, **treatment** will be covered when it's carried out by the **specialist** and at the **hospital** confirmed by **us**.

If **your GP** decides **you** need to be referred for further **diagnostic tests** or **treatment**, **you** must obtain an **open referral** and contact **us**. **We** will then use **our** clinical knowledge and independent quality data to locate a **specialist** and **hospital** for **you**. **You** must also obtain an **open referral** if **you** are referred for further **diagnostic tests** or **treatment** following NHS **treatment**. This includes **treatment** at an accident & emergency department.

We will only accept a named referral from a **GP** or a **specialist** if **we** agree there is a medical need for it. **We** maintain the right to request a report from the **GP** or **specialist** to get full details before **we** confirm **treatment** under a named referral.

If **you** have **treatment** with a **hospital** or **specialist** that has not been agreed by **us**, **we** will not pay that provider's fees.

Hospital lists

If **you** have a hospital list, **in-patient** and **day-patient treatment** will be covered when it takes place at a **hospital** on the chosen hospital list or a facility within one of **our networks**.

All **treatment** and **diagnostic tests** must be carried out by providers (such as **hospitals**, facilities, **specialists**) recognised by **us**. If **you** have **treatment** with a provider that **we** do not recognise, **we** will not pay that provider's fees.

Networks

We've set up **networks** of treatment units, specialising in managing certain conditions.

We only work with clinicians and medical facilities that meet **our** quality care standards. These facilities measure their outcomes using patient reported outcome measures (known as PROMs), condition-specific clinical outcome scores and service user satisfaction scores.

More information on **networks** and a list of the conditions for which **we** have a **network** in place can be found at aviva.co.uk/health-network

If **your policy** includes Expert Select, **you** will always benefit from **our networks** as **we** will guide **you** to a **network** facility if **we** have one for **your** condition, following the **open referral** from **your GP**.

If **your policy** includes a hospital list and **you** need **treatment** for a condition for which **we** have a **network**, **you** can benefit from **our networks** by obtaining an **open referral** and allowing **us** to confirm a **treatment** facility for **you**, or **you** can choose to use a **hospital** on **your** hospital list.

All benefit limits and excesses (if applicable) apply to each **member** every **policy year** unless otherwise stated. The options **you** have chosen will be shown on **your policy schedule**.

Benefit terms

Accidental dental injury

We will pay for **treatment** required as a result of an injury which causes damage or deformity to teeth or gums which have not previously been decayed, diseased, repaired, restored or treated (other than scaling or polishing). This does not include damage to dentures or implants. The injury must be caused by an accident which occurs after **you** join the **policy**.

Baby bonus

We pay the **policyholder** a baby bonus of £100 for each baby born to or adopted (within a year of birth) by a **member** during a **policy year**.

The baby bonus is payable once for each baby.

If **you** have moratorium or full medical underwriting, the baby bonus is only available if the baby is born or adopted more than ten months after the **policyholder** joins the **policy**.

Dental and optical excess

Routine dental treatment and optical benefit each have an excess of £50. **You** must pay the first £50 and **we** will then pay for costs up to the limit covered by the **policy**.

For example, if a claim is made for £220 for routine dental treatment covered by the **policy**, **we** will

deduct the £50 excess from this sum and pay the balance of £170 to **you**. **You** are responsible for paying the £50 excess for the **treatment** received. This leaves a balance of £80 available to **you** in this example for subsequent claims in the same **policy year**. The excess is only deducted once for each **member** every **policy year**.

If **you** have chosen another excess on this **policy** it will not apply to option E (Dental and optical benefits).

Excess

If **you** have chosen an excess, **we** will pay benefits up to the amounts shown after the excess has been paid.

The excess is applied to each **member**, each **policy year**. This means that if a claim or course of **treatment** continues from one **policy year** to the next, the excess will apply again.

For example, if **you** have a £5,000 excess and **your treatment** in a **policy year** costs £10,000, **you** will pay the first £5,000 and **we** will pay the rest. If the **treatment** carries on into the next **policy year**, another excess will apply, so **you** will again pay the first £5,000 of **treatment** received in that **policy year**.

If the **treatment you** were claiming for cost £1,000 and **your** excess was also £1,000, **you** would have to meet the full cost of that **treatment** yourself. However, **your** excess would be paid and would not apply to other claims in that **policy year**.

The excess is applied on the date **treatment** takes place and not the date **we** pay the bill.

The excess does not apply to NHS cash benefit, NHS cancer cash benefit, the baby bonus, donations **we** make to a **hospice**, any benefit claimed under option E (dental and optical benefits), or to the wigs benefit under benefits for **cancer treatment**.

If **you** claim for a benefit that has a monetary limit, the excess amount will not contribute to the monetary limit.

So if, for example, **your** excess was £200 and the **treatment you** were claiming for had a benefit limit of £500, **you** would have to pay the first £200 and **we** would pay up to a further £500 for that benefit in that **policy year**.

If **we** do not pay a claim because the amount due is less than the excess, the no claim discount will not be affected.

If an excess applies, **we** will write to **you** to advise who the excess should be paid to. **You** are liable for the excess and this should be paid directly to the provider of **treatment** or services, for example the **specialist** or **hospital**.

Fair+Square hospitals

The Fair + Square hospital list is a closed list. It is no longer available to new or existing customers who haven't already selected this list. It is only available to existing customers who currently have this list included on their **policy**, as shown on their **policy schedule**.

Hospital charges for **in-patient** and **day-patient treatment** are covered in full if **you** have **treatment** at a **hospital** on the Fair + Square hospital list, or a facility on one of **our networks**.

If **you** receive **treatment** as an **in-patient** or **day-patient** in a **hospital** or facility that is not included on the Fair + Square hospital list, or one of **our networks**, but is recognised by **us**, **we** will calculate the average cost of equivalent **treatment** across all **hospitals** on the Fair + Square hospital list, and that average cost is the maximum **we** will pay. This could leave **you** with a shortfall that the **policy** does not cover. If the actual cost of the **treatment** is less than the average cost, **we** will pay the **hospital** costs in full.

We will cover **specialists'** fees up to the limits in **our** fee schedule.

If **you** receive **in-patient** or **day-patient treatment** in a **hospital** that is not recognised by **us**, **we** will not pay any **hospital fees** for **your treatment**.

Home nursing

We cover home nursing if this:

- is recommended and supervised by **your specialist**
- takes place in **your** home
- immediately follows **treatment** as an **in-patient** or **day-patient** that is covered by **your policy**
- is carried out by a **nurse** and is the type of **treatment** that only a **nurse** can provide, and
- is needed for medical reasons and is not to help with **your** mobility, personal care or preparation of meals.

Hospice

We will pay a donation directly to the **hospice** when:

- **you** receive care as a patient of a **hospice**, and
- **we** have previously covered **treatment** for the condition.

Hospital charges

Expert Select

If **you** have Expert Select, **we** cover **treatment** that is carried out at the **hospital** confirmed by **us**. If **you** receive **in-patient**, **day-patient** or **out-patient treatment** at a **hospital** that has not been confirmed by **us**, **we** will not pay the **hospital** fees.

If **you** receive **treatment** as an NHS **in-patient** or **day-patient** whilst occupying an NHS amenity bed (a bed paid for by **you** in a single room or side ward in a NHS **hospital** where **you** receive NHS **in-patient** or **day-patient** treatment) and that **treatment** would have been covered by the **policy** if **you** had chosen to receive it as a private patient, **we** will reimburse **you** for the cost of the amenity bed.

We will pay the fixed cost for the amenity bed only; **we** will not pay for additional extras (such as visitor meals).

If **you** claim for the cost of an NHS amenity bed **you** cannot also claim NHS cash benefit or NHS cancer cash benefit for the same **treatment**.

Hospital lists

If **you** have a hospital list, **hospital** charges for **in-patient** and **day-patient treatment** are covered in full if **you** have **treatment** at a **hospital** on **your** hospital list, a facility on one of **our networks** or an NHS pay-bed at an NHS hospital.

If **you** receive **treatment** as an **in-patient** or **day-patient** in a hospital or facility that is not:

- included on **your** hospital list, or
- included on one of our **networks**, or
- an NHS pay-bed at an NHS **hospital** but is recognised by **us**, **we** will calculate the average cost of hospital charges for equivalent **treatment** across all **hospitals** on **your** list and that average cost is the maximum **we** will pay. This could leave **you** with a shortfall that the **policy** does not cover. If the actual cost of the **treatment** is less than the average cost, we will pay the **hospital** costs in full. **We** will cover **specialists' fees** up to the limits in **our** fee schedule.

If **you** receive **in-patient** or **day-patient** treatment in a **hospital** that is not recognised by **us**, **we** will not pay any **hospital** fees for **your** **treatment**.

If **you** receive **treatment** as an NHS **in-patient** or **day-patient** whilst occupying an NHS amenity bed (a bed paid for by **you** in a single room or side ward in an NHS **hospital** where **you** receive NHS **in-patient** or **day-patient** treatment) and that **treatment** would have been covered by the **policy** if **you** had chosen to receive it as a private patient, **we** will reimburse **you** for the cost of the amenity bed.

We will pay the fixed cost for the amenity bed only; **we** will not pay for additional extras (such as visitor meals).

If **you** claim for the cost of an NHS amenity bed **you** cannot also claim NHS cash benefit or NHS cancer cash benefit for the same **treatment**.

Mental health

We cover acute mental health conditions. This means **we** will cover **treatment** which aims to lead to **your** full recovery.

We do not cover:

- **treatment** that is given solely to alleviate symptoms
- **treatment**, including **diagnostic tests** to treat or assess learning difficulties or developmental or behavioural problems such as attention deficit hyperactivity disorder (ADHD) and autism spectrum disorder, or
- chronic mental health conditions.

We consider a mental health condition to be chronic if:

- it meets the definition of a **chronic condition**,
- or

- **we** have paid for **your** **treatment** for that condition or a **related** mental health condition during three separate **policy** years. This will apply to acute flare-ups of a **chronic condition**, it will also apply if the **treatment** was not in consecutive **policy** years.

Treatment related to mental health conditions will not be covered under any other benefit on this **policy**.

NHS cash

We will pay NHS cash benefit if:

- **you** receive **treatment** as an NHS **in-patient**, and
- that **treatment** would have been covered by the **policy** if **you** had chosen to receive it as a private patient.

When **you** make a claim for NHS cash benefit, **we** may ask for the discharge summary from the **hospital**.

NHS cash benefit is not available:

- if **you** are a fee paying patient of any kind
- for the first three nights following an **accident or emergency admission**
- for **cancer treatment**
- for claims for mental health **treatment**
- if **you** claim for the cost of an NHS amenity bed for the same **treatment**.

Optical

Optical benefit is payable for contact lenses and glasses bought as a result of a change in **your** prescription.

We do not cover the cost of eye tests, optical solutions and accessories (for example cases, cleaning cloths) or contract schemes (for example monthly disposable contact lens schemes).

Practitioner fees

We cover practitioner's fees (such as physiotherapists, osteopaths) up to the limits in **our** fee schedule. If the fee is higher than the limit in **our** fee schedule, it is **your** responsibility to pay the practitioner the difference.

You can view the fee schedule online at aviva.co.uk/health/online-fee-schedule or call the customer service helpline on 0800 158 3333.

Calls to and from Aviva may be recorded and/or monitored.

Pregnancy complications

Cover will only be available for **treatment** directly or indirectly arising from or recommended by **your** **specialist** in connection with the following

conditions once diagnosed:

- post-natal depression (only if **you** have mental health cover - please see **your policy schedule** to see which options have been chosen)
- ectopic pregnancy (development of foetus outside the womb)
- miscarriage (if **you** have miscarried, but not investigations into the cause of miscarriage)
- still birth
- hydatidiform mole (cell growth abnormality in the womb)
- retained placenta (afterbirth retained in the womb)
- eclampsia (a coma or seizure during pregnancy and following pre-eclampsia)
- caesarean sections – in specific clinical circumstances (**we** require full clinical details from **your specialist** before **we** can make a decision about cover).

If **you** have moratorium or full medical underwriting – **we** will only pay for these conditions and **treatments** if they occur at least 10 months after **you** have joined the policy.

Private ambulance

We cover travel by a private ambulance to the nearest available facility if:

- it is needed in connection with **treatment** as an **in-patient** or **day-patient** that is covered by **your policy**, and
- **you** travel between **hospitals** as part of **your treatment** as an **in-patient** or **day-patient**, and
- it is **medically necessary** for **you** to travel by ambulance.

Protected NCD

If **you** have not already selected no claim discount (NCD) protection, it can only be added at **your renewal date**.

To be eligible for the NCD protection **you** must:

- have not had any form of **cancer**, heart disease or stroke in the last five years
- have not had any consultations, **diagnostic tests** or **treatment** in the last 12 months
- have no consultations, **treatment** or **diagnostic tests** pending with a **GP**, **specialist** or **hospital** and
- not be aware of any conditions for which **you** may need **diagnostic tests** or **treatment** in the next six months, whether or not **you** have consulted a medical practitioner.

The NCD protection takes effect if a **member** makes any claims that would have caused the NCD to reduce.

Instead of the NCD reducing:

- that **member** will remain at their current NCD level,
- **we** will calculate their premium from the next **renewal date** based on their current NCD level, and
- **we** will remove that **member's** NCD protection and the NCD rules will apply.

For full details of the NCD and NCD protection please see aviva.co.uk/health-ncd

We will remove the NCD protection if **you** ask **us** at any **renewal date**.

If **we** remove a **member's** NCD protection for any reason, **we** will reinstate it after a period of 12 months with no claims paid if the **policyholder** asks **us** to and the **member** satisfies the protected NCD eligibility rules.

Routine dental treatment

We will pay for dental treatment carried out by a dental practitioner in a dental surgery including examinations, tooth cleaning, white fillings (where appropriate), crowns, extractions and surgery.

We do not pay for contract schemes (for example monthly dental plans).

Specialists' fees

Expert Select

If **you** have Expert Select, **we** cover **treatment** that is carried out by a **specialist** confirmed by **us**. If **you** receive **in-patient**, **day-patient** or **out-patient treatment** by a **specialist** that has not been confirmed by **us**, **we** will not pay the **specialists' fees**.

If a **specialist** decides **you** need to be referred to another **specialist** for tests and/or **treatment** **you** should ask for the specialism and the sub-specialism of the person **you** need to see and contact **us**. **We** will then confirm the **specialist** that the **policy** will cover.

We will only accept a named referral from a **GP** or a **specialist** if **we** agree there is a medical need for it. **We** maintain the right to request a report from the **GP** or **specialist** to get full details before **we** confirm **treatment** under a named referral.

If **you** have received **treatment** and are discharged from the **specialist's** care but need further **treatment** for the same condition within three months of **your** discharge, the **policy** will

cover further eligible **treatment** with the same **specialist**.

If **you** have been discharged from the **specialist's** care but need further **treatment** for the same condition more than three months after **your** discharge, **you** must obtain an **open referral** from **your GP** and **we** will confirm the **specialist** that the **policy** will cover.

We will only cover further **treatment** with the same **specialist** more than three months after **your** discharge if **we** agree there is a clinical need. **We** maintain the right to request a report from the **GP** or **specialist** to get full details before **we** confirm cover.

Hospital lists

If **you** have a hospital list, we cover **specialists'** fees up to the limits in **our** fee schedule. If the fee is higher than the limit in **our** fee schedule, it is **your** responsibility to pay the **specialist** the difference.

You can view the fee schedule online at aviva.co.uk/health/online-fee-schedule or call the customer service helpline on 0800 158 3333. Calls to and from Aviva may be recorded and/or monitored.

Speech therapy

This benefit is available for each child covered by the **policy**, until the **renewal date** following their 18th birthday and includes cover for speech therapy needed for developmental delay.

Stress counselling helpline

The stress counselling helpline service is designed to be available 24 hours a day but some reasonable delay may be experienced from time to time.

This is not an emergency service. **You** may call on behalf of another **member** subject to any patient confidentiality requirements of the service provider. In using the helpline, **you** (where applicable, on behalf of another **member**) automatically authorise the use and disclosure of any medical or other information, on a fully confidential basis as between **us** and any service providers **we** use in making the service available, for the sole purpose of **policy** and service administration.

We will not be responsible for any failure in the provision of the helpline service to the extent that it is due to circumstances beyond the reasonable control of **us** or any of **our** service providers.

Call charges are the responsibility of the caller.

Therapies

We cover up to ten sessions in combined total

(for example five physiotherapy sessions and five osteopathy sessions) each **policy year** on referral from a **GP** for each separate condition.

If either C2 (Reduced **out-patient** cover and selected benefit reduction) or C0 (Reduced **out-patient** cover [£0 limit] and selected benefit reduction) options have also been chosen, there is no cover for **specialist** referred **treatment** by a **physiotherapist, osteopath, chiropractor** or **acupuncturist** in any circumstances.

Trust hospitals

If **you** have the Trust list, **hospital** charges for **in-patient** and **day-patient treatment** are covered in full if **you** have **treatment** at a **hospital** on the Trust list, a facility on one of **our networks**, an NHS pay-bed at an NHS **hospital**, or at a **hospital** that **we** have chosen if the **treatment you** need is not available at a **hospital** on the Trust list.

If **you** receive **treatment** as an **in-patient** or **day-patient** in a hospital or facility that is not:

- included on the Trust list, or
- included on one of **our networks**, or
- an NHS pay-bed at an NHS **hospital**, or
- a **hospital** that **we** have chosen for **your treatment**

but is recognised by **us**, **we** will calculate the average cost of hospital charges for equivalent **treatment** across all **hospitals** on **your** list and that average cost is the maximum **we** will pay.

This could leave **you** with a shortfall that the **policy** does not cover. If the actual cost of the **treatment** is less than the average cost, **we** will pay the **hospital** costs in full. **We** will cover **specialists'** fees up to the limits in **our** fee schedule.

If **you** receive **in-patient** or **day-patient** treatment in a **hospital** that is not recognised by **us**, **we** will not pay any **hospital** fees for **your treatment**.

If **you** receive **treatment** as an NHS **in-patient** or **day-patient** whilst occupying an NHS amenity bed (a bed paid for by **you** in a single room or side ward in an NHS **hospital** where **you** receive NHS **in-patient** or **day-patient** treatment) and that **treatment** would have been covered by the **policy** if **you** had chosen to receive it as a private patient, **we** will reimburse **you** for the cost of the amenity bed.

We will pay the fixed cost for the amenity bed only; **we** will not pay for additional extras (such as visitor meals).

If **you** claim for the cost of an NHS amenity bed **you** cannot also claim NHS cash benefit or NHS cancer cash benefit for the same **treatment**.

Benefits for cancer treatment

This section explains what Aviva will pay for **cancer treatment**

Important:

If **you** have chosen a monetary limit for **out-patient treatment** (C0, C500 or C1000) the monetary limit will not apply to **cancer treatment** received after **you** have been diagnosed with cancer. The **out-patient** limit will still apply to consequences of **cancer treatment** and conditions **related to cancer treatment**.

If **you** have chosen the reduced **out-patient** cover and selected benefit reduction option (C2), after **you** have been diagnosed with **cancer** we will still cover in full any consultations and **diagnostic tests** required as part of **your cancer treatment**. The **out-patient** limit will still apply to consequences of **cancer treatment** and conditions **related to cancer treatment**.

If **you** have the six week option, **we** do not pay for **treatment** as an **in-patient** or **day-patient** if it is available on the NHS (including **accident or emergency admissions**) within six weeks from the date **your specialist** recommends it. The NHS can often treat **cancer** patients within 6 weeks, which means that **we** will not pay for most of the **treatment you** need.

However, if **your specialist** recommends **treatment** that is not available on the NHS, but is covered by the **policy**, **we** will pay for that **treatment**.

If **you** have the six week option and **you** have **treatment** as an **out-patient**, **we** do not apply the six week rule to that **treatment**. However, if **you** need to be admitted for emergency **treatment**, for example a blood transfusion, **we** will not pay for that **treatment**.

We cover **treatment** that is carried out at a **hospital** covered under **your** hospital option. **We** also cover **treatment** at home if **your specialist** agrees this is possible and it can be supported by a **homecare** provider recognised by **us**.

Benefit terms

Chemotherapy

We will pay for **chemotherapy** in full if **you** have the **treatment** at a **hospital** covered under **your** hospital option.

We also cover **chemotherapy** at home if **your specialist** agrees this is possible and it can be supported by the homecare provider. **We** do not pay for hormone therapy.

BUT: We will pay for hormone therapy if **you** need it to shrink a tumour before **you** have surgery or radiotherapy.

End of life care

We will pay for end of life care in a **hospital** if it is **medically necessary**.

If **you** are admitted to a **hospice**, **we** will make a donation to the **hospice** of £100 each night, up to £10,000 (someone will need to tell **us** that **you** have been admitted to the **hospice**).

If **you** stay at home but are visited by a **nurse** from a registered charity, for example Macmillan Cancer Support or Marie Curie Cancer Care, **we** will donate £50 a day to one charity for each day they need to be with **you**, up to the £10,000 limit.

Genetic testing

We will pay for genetic testing in full if it is requested by a **specialist** to aid a diagnosis or to help

determine the type of **treatment** required and is carried out at a facility recognised by **us**.

But, **we** will not pay for genetic testing carried out:

- for screening purposes
- where there are no symptoms
- when the outcome of the test will not determine a **treatment** pathway.

Molecular profiling

During molecular profiling, the profile of the cancerous tissue is studied to help determine the most accurate and effective **treatment**. **We** pay for these tests in full when they are being used to determine the most appropriate **treatment** and are carried out at a facility recognised by **us**.

Monitoring

We will pay for monitoring after **your treatment** for **cancer** has finished. This includes **diagnostic tests** and consultations.

We do not pay for monitoring after **treatment** for non-melanoma skin **cancer**.

NHS cancer cash

We will pay NHS cash benefit for **cancer treatment** if:

- **you** receive **treatment** for **cancer** as an NHS patient, and
- that **treatment** would have been covered by

the **policy** if **you** had chosen to receive it as a private patient.

We will pay £100 for each day **you** receive **treatment**:

- as an **in-patient**
- as a **day-patient**.

We will pay £100 for each day **you**:

- receive **out-patient** radiotherapy, **chemotherapy** or blood transfusions
- undergo **out-patient** surgical procedures.

We will pay £100 for:

- each day **you** receive intravenous (IV) **chemotherapy** at home
- each week whilst **you** are taking oral **chemotherapy** drugs at home.

We may need to contact **your specialist** for details of **your treatment** before **we** can pay **your** claim.

When **you** make a claim for NHS cancer cash benefit, **we** may ask for the discharge summary from the **hospital**.

You will not be able to claim more than £100 in any one day.

NHS cancer cash benefit is not available if **you** claim for the cost of an NHS amenity bed for the same **treatment**.

Ongoing needs

If **you** have any ongoing medical needs, such as regular replacement of tubes, drains or stents, **we** will pay for up to five years after **your treatment** for **cancer** has finished, provided **you** are still a **member** of the **policy**.

Post-surgery services

Medical services

Following surgery for **cancer** there are a number of different specialist services that **you** may need, depending on the type of **cancer** **you** have and the surgery **you** have had. **We** will pay for consultations immediately following surgery with, for example, a:

- **dietician** in order to stabilise **your** diet following surgery or **chemotherapy**
- stoma **nurse** to show **you** how to care for **your** stoma
- **nurse** to show **you** how to manage lymphoedema.

Artificial feeding

If, due to **your cancer** or **treatment** of **your cancer**, **you** have problems eating and need artificial feeding, **we** will pay for the insertion and replacement of a tube (for example, a central line, PICC line or PEG) to deliver the food (called nutrition). Whilst **you** are in **hospital** for **cancer treatment** **we** will pay for the nutrition itself, although once **your cancer treatment** has finished **we** will no longer pay for the nutrition itself, or maintenance of the line (for example cleaning of the line).

Preventative treatment

We will pay for surgery to prevent further **cancer** only if **you** have already had **treatment** for **cancer** that **we** have paid for – for example, **we** will pay for a mastectomy to a healthy breast in the event that **you** have been diagnosed with **cancer** in the other breast.

We will not pay for surgery where **you** have no symptoms of **cancer**, for example where **you** have a strong family history of **cancer** such as breast cancer, or bowel cancer.

Prostheses

We will pay in full for prostheses that are inserted into the body.

For external prostheses following surgery for **cancer** – for example arms, legs, breasts, ears – **we** will contribute up to £5,000 towards the cost of purchasing the first prosthesis after **your** surgery. This includes any cost for fitting the prosthesis.

Radiotherapy

We will pay for radiotherapy in full if **you** have the **treatment** at a **hospital** covered under **your** hospital option.

Side effects

Whilst **you** are receiving **chemotherapy** or radiotherapy, **we** will pay for **treatment** prescribed by **your specialist** that **you** need to deal with the side effects, for example:

- antibiotics
- anti-sickness drugs
- steroids
- pain killers
- drugs to boost **your** immune system, and
- blood transfusions.

Specialists' fees

Expert Select

If **you** have Expert Select, **we** cover **treatment** that is carried out by a **specialist** confirmed by **us**. If **you** receive **in-patient, day-patient** or **out-patient treatment** by a **specialist** that has not been confirmed by **us**, **we** will not pay the **specialists'** fees.

If a **specialist** decides **you** need to be referred to another **specialist** for tests and/or **treatment you** should ask for the specialism and the sub-specialism of the person **you** need to see and contact **us**. **We** will then confirm the **specialist** that the **policy** will cover.

We will only accept a named referral from a **GP** or a **specialist** if **we** agree there is a medical need for it. **We** maintain the right to request a report from the **GP** or **specialist** to get full details before **we** confirm **treatment** under a named referral.

If **you** have received **treatment** and are discharged from the **specialist's** care but need further **treatment** for the same condition within three months of **your** discharge, the **policy** will cover further eligible **treatment** with the same **specialist**.

If **you** have been discharged from the **specialist's** care but need further **treatment** for the same condition more than three months after **your** discharge, **you** must obtain an **open referral** from **your GP** and **we** will confirm the **specialist** that the **policy** will cover.

We will only cover further **treatment** with the same **specialist** more than three months after **your** discharge if **we** agree there is a clinical need. **We** maintain the right to request a report from the **GP** or **specialist** to get full details before **we** confirm cover.

Hospital lists

If **you** have a hospital list, **we** cover **specialists'** fees up to the limits in **our** fee schedule. If the fee is higher than the limit in **our** fee schedule, it is **your** responsibility to pay the **specialist** the difference.

We will pay for drugs for **you** to take home at the time **you** are discharged from **hospital** following a stem cell or bone marrow transplant.

BUT: After **you** have been discharged from **hospital** following a stem cell or bone marrow transplant, **you** may need to take certain drugs (for example immunosuppressants, antibiotics, steroids) for a long period of time in order to prevent complications. **We** will not pay for these drugs.

If **your treatment** meets these requirements, **we** will not exclude **treatment** on the basis that it is experimental. Before **we** can decide if **your** proposed **treatment** is eligible, **we** must receive all the clinical details **we** need from **your specialist**, including a completed 'Treatment Request Form'. **We** must confirm **your** cover in writing before any **treatment** begins.

BUT:

Even if **we** consider **your treatment** to be experimental because it does not satisfy the requirements listed above, **we** will still pay for the lowest cost of either:

- the experimental **treatment** or

Underwriting

Your policy is subject to one of five different types of underwriting. **Your policy schedule** will show which type of underwriting applies to **you**.

Full Medical Underwriting (FMU)

If **you** were covered on a **policy** that was updated to Healthier Solutions, the following wording applies to **you**:

Any medical exclusions **we** have applied are available online at aviva.co.uk/myaviva or on request by calling **0800 092 4590**.

If **you** do not have any personal medical exclusions applied to a medical condition, the wording that applies to **your** cover is:

We do not cover **treatment** of any **pre-existing condition**, or any **related** condition unless **you** advised **us** of that condition in writing when **you** applied for the **policy** and either **we** did not apply an exclusion for it, or it is not excluded under the **policy**.

We may review **your** personal medical exclusion(s) at **your renewal date**, if **you** ask **us** to. If **we** have recently applied an exclusion when **you** joined the **policy** or reviewed a medical exclusion at **your renewal date**, **we** will let **you** know when the medical exclusion may be reviewed again, if **you** ask **us**.

We will not alter or remove a medical exclusion if the excluded medical condition (or any **related** conditions) in **our** view is likely to need **treatment** in the future. There are some medical exclusions that **we** will not review, for example, if it is a **chronic condition**.

If **you** applied to join Healthier Solutions, the following wording applies to **you**:

We do not cover **treatment** of any **pre-existing condition**, or any **related** or associated condition unless **you** advised **us** of that condition in writing when **you** applied for the **policy** and either **we** did not apply an exclusion for it, or it is not excluded under the **policy**.

Any medical exclusions **we** have applied are available online at aviva.co.uk/myaviva or on request by calling **0800 092 4590**.

We may review **your** personal medical exclusion(s) at **your renewal date**, if **you** ask **us** to. If **we** have recently applied an exclusion when **you** joined the **policy** or reviewed a medical exclusion at **your renewal date**, **we** will let **you** know when the medical exclusion may be reviewed again, if **you** ask **us**.

We will not alter or remove a medical exclusion if the excluded medical condition (or any **related** conditions) in **our** view is likely to need **treatment** in the future. There are some medical exclusions that **we** will not review, for example, if it is a **chronic condition**.

Moratorium (this is sometimes known as mori)

We do not cover **treatment** of any **pre-existing condition**, or any **related** condition, if **you** had:

- symptoms of
- medication for
- **diagnostic tests** for
- **treatment** for, or
- **advice** about

that condition in the five years before **you** joined the **policy**.

However, **we** will cover that condition if **you** do not have:

- medication for
- **diagnostic tests** for
- **treatment** for, or
- **advice** about

that condition during a continuous two year period after **you** join the **policy**.

With mori underwriting the claims process may take a bit longer, as each time **you** make a claim we'll look at **your** medical history, and may ask for information from **your GP**, to understand if **your** symptom or condition is new or pre-existing.

Continued Medical Exclusions (CME)

For **members** who were fully medically underwritten on another **policy** and then transferred to Healthier Solutions.

We apply the same personal medical exclusions for **pre-existing conditions** that were applied by **your** previous insurer, if any. Any medical exclusions we have applied are available online at [aviva.co.uk/myaviva](https://www.aviva.co.uk/myaviva) or on request by calling **0800 092 4590**. The terms and conditions of this **policy** may be different to those of **your** previous policy.

Continued moratorium

For **members** who were insured on a moratorium basis on another policy and then transferred to Healthier Solutions.

We do not cover **treatment** of any **pre-existing condition**, or any **related** conditions, if **you** had:

- symptoms of
- medication for
- **diagnostic tests** for
- **treatment** for, or
- **advice** about

that condition in the five years before **your** initial date of cover. **Your** initial date of cover is the date **you** started cover with **your** first insurer (provided there has been no break in cover since then).

However, **we** will cover that condition if **you** do not have:

- medication for
- **diagnostic tests** for
- **treatment** for, or
- **advice** about

that condition during a continuous two year period after **your** initial date of cover.

The terms and conditions of this **policy** may be different to those of **your** previous policy.

Medical History Disregarded (MHD)

For **members** who have left a company scheme and who were insured on a MHD basis.

We do not apply any personal medical exclusions to **your policy** as a result of **pre-existing conditions**.

The terms and conditions of this **policy** may be different to those of **your** previous policy.

Policy conditions

1. Who can be a member?

All those named on the **policy schedule** will be covered on this **policy**.

- The **policyholder**
- the **policyholder's** spouse, partner or civil partner and
- their children

can all be **members**, if the **policyholder** has chosen to include cover for them.

Only one spouse, partner or civil partner can be included on the **policy**.

Each **member** must have a legal right to remain in the **UK** and have the intention to remain resident in the **UK** for the duration of the **policy year**. **You** must notify **us** as soon as possible if at any time either of these things change. If either of these things do change, **we** may cancel cover for that **member** effective from the date their circumstances changed.

Adding members

The **policyholder** may add new **members** to the **policy** at any time by contacting **us**.

Newborn babies

If the **policyholder** or their spouse, partner or civil partner has a baby while they are covered by the **policy**, they can add their baby to the **policy** from the baby's birth date, if the **policyholder** applies to **us** within three months of the baby's birth date. This means that at the point of claim their medical history will be disregarded, and no personal medical exclusions will apply. No premium will be required either:

- for three months from the date of the baby's birth, or
- until the next **renewal date** whichever happens sooner.

Please also see Child rates under Premiums section.

2. Premiums

The **policy schedule** shows **you** how much must be paid, when and by which payment method. **We** will advise the **policyholder** if the premium changes.

We will collect premiums in advance of the date they are due. **We** will collect any premiums due unless the **policyholder** tells **us** to cancel the **policy** in time for **us** to stop collecting the payment.

If any amounts paid under this **policy** need to be refunded to **you** (for whatever reason) they will be paid into the account from which **we** received the original funds.

We will not pay any claims if premiums are not paid to date at the time **your treatment** takes place.

Premiums should be paid from a **UK** bank account.

We may ask for proof of account status such as a copy of **your** bank statement.

If **you** pay monthly, each monthly premium payment is for one month's cover. If **you** pay annually, each annual premium payment is for one year's cover.

If **you** wish to change the frequency with which **you** pay the premium (for example from monthly to annually) **you** can do this at the **renewal date**.

If there are no changes to **your policy** during the **policy year**, any change to **your** premium will only take effect from the **renewal date**. See section 5, changes to your circumstances.

Child rates

A premium is payable for all **members** on the **policy** aged 20 and over.

A premium is payable for the eldest **member** aged under 20 on the **policy**.

All other **members** aged under 20 on the **policy** are covered free. (This will only apply if there is at least one **member** aged 20 or over on the **policy**).

MyHealthCounts

If **you** choose to participate in **our** MyHealthCounts programme, **you** may receive a discount on **your** premium. This discount on **your** premium can go up or down at **your renewal date**, depending on the Q score **you** achieve.

The premium discount will depend on **you** completing **your** online Q score in full and on time. Please refer to the MyHealthCounts website for full details of when the final Q score is required.

We may change or remove all or any part of the MyHealthCounts offer at any time and **we** will advise the **policyholder** of any changes.

Full details are available on request or online at myhealthcounts.aviva.co.uk

3. No claim discount

Your policy includes a no claim discount (NCD) which is reviewed at each **renewal date**. For full details of how the NCD is applied, please see aviva.co.uk/health-ncd

4. Payments for ineligible treatment

If at any time, due to exceptional circumstances, **we** agree to pay for **treatment** that is not normally eligible on **your policy**, this does not mean that **we** will make another payment for **treatment** in the same or similar circumstances.

Any payments **we** do make towards the cost of ineligible **treatment** will count towards any benefit limit listed in **your policy** terms and conditions, **your** no claim discount and **your** excess (if **you** have an excess).

5. Changes to your circumstances

We reserve the right to alter the premiums or **policy** terms or cancel cover for a **member** of the **policy** following a change of risk.

The **policyholder** must tell **us** as soon as possible about any changes relating to **members**, for example a change of name, address, if somebody works for the diplomatic service or a foreign embassy.

The following changes can be made to **your policy** at any time during the **policy year**, but this could result in **your** premium changing before **your renewal date**:

- changes relating to **members**, for example a change of name, title, address
- the correction of any information shown on the **policy schedule**
- removing **members** from the **policy**
- changes to the underwriting terms.

Any changes made during the **policy year** will be treated as a continuation of **your** contract of insurance.

We will always write to **your** last known address with details of any changes to **your** cover.

6. Renewing the policy

The **policy** lasts for one year and (if **we** still offer Healthier Solutions) **we** will automatically renew it unless **you** notify **us** that **you** do not wish to renew.

We will give **you** reasonable notice when **your policy**

is due to renew in order to give **you** time to decide whether to renew the **policy** or cancel it.

Changes to your cover

We may change the terms and conditions of the **policy** at the **renewal date**. If there are changes to the **policy**, **we** will let **you** know before the next **renewal date**. If **you** decide to cancel the **policy** as a result of such changes, **you** must let **us** know.

Only Aviva can make changes to the terms and conditions of the **policy**.

If **you** wish to make any changes to **your policy**, for example adding or removing options, please contact **us**. **We** will review the claims that **we** have paid, the medical history, and the current health for each **member** when deciding whether **you** can make these changes.

7. Cancelling the policy

When the **policyholder** may cancel the **policy**:

The cooling off period

The **policyholder** may cancel the **policy** for any reason within 14 days of purchasing the **policy** or receiving the **policy** documents, whichever is the later (this is called the 'cooling off period'). Provided no claims have been made during the cooling off period **we** will refund any premium already paid during that time.

After the cooling off period

The **policyholder** may cancel the **policy** after the cooling off period, but **we** will not refund any premiums that have been paid for cover up to the cancellation date.

If the **policyholder** has paid an annual premium, **we** will refund the premium that has been paid for the time that the **policy** is no longer in place (from the cancellation date to the end of the **policy year**).

If **you** wish to cancel **your policy**, **you** can do so by notifying **our** customer service department in writing at:

Aviva Health UK Limited
Chilworth House
Hampshire Corporate Park
Templars Way
Eastleigh
Hampshire
SO53 3RY

or by calling **us** on 0800 092 4590.

You are advised to call **our** customer service helpline to discuss **your** options before taking this step. Calls to and from Aviva may be recorded and/or monitored.

Important note

The Consumer Insurance (Disclosure and Representations) Act 2012 sets out situations where failure by a policyholder to provide complete and accurate information requested by an insurer allows the insurer to cancel the policy, sometimes back to its start date and to keep any premiums paid.

The **policyholder** must take reasonable care to provide complete and accurate answers to any questions **we** ask either in an application form, over the telephone or by any other means when the **policyholder** takes out, makes changes to or renews the **policy**.

When we may cancel the policy

If the **policyholder** has not taken reasonable care to provide complete and accurate answers to the questions **we** ask (see Important note above):

- **we** may cancel the **policy** back to its original start date and refuse to pay any claim, or
- **we** may not pay any claim in full, or
- **we** may revise the premium, or
- the extent of cover may be affected.

If **we** cancel the **policy** for this reason, the **policyholder** will be entitled to a refund of the premium paid in respect of the cancelled cover, less a proportionate deduction for the time **we** have provided cover, unless **we** are legally entitled to keep the premium under the Consumer Insurance (Disclosure and Representations) Act 2012.

If a claim made by, or on behalf of, the **policyholder** or a **member** is in any way fraudulent or fraudulently exaggerated or supported by a false statement or fraudulent evidence, **we** may:

- refuse to pay the claim, and
- recover any sums paid by **us** in respect of the claim.

In addition:

- where the claim is made by, or on behalf of, the **policyholder**, **we** may cancel the **policy** back to the date of the fraudulent act and keep all premiums. This will end the cover of the **policyholder** and all **members** listed on the **policy schedule**, or
- where the claim is made by, or on behalf of, a **member**, **we** may cancel that **member's** cover back to the date of the fraudulent act and keep premiums in respect of that **member's** cover. Alternatively, **we** may apply different terms (in line with reasonable underwriting practice) to that **member's** cover.

If **we** cancel the **policy** or any **member's** cover for these reasons **we** will notify the **policyholder** (and the relevant **member**) in writing by first class post or by hand to **your** (and the relevant **member's**) last known address.

If any premium is not paid, the **policy** will automatically be cancelled. **We** will reinstate the cover if the premium is paid within 45 days of its due date, subject to claims experience and the approval of **our** underwriters.

We will not cancel the **policy** because of eligible claims made by any **member**.

We reserve the right to close the Healthier Solutions product at **your renewal date**. **We** will contact **you** to advise **you** if this happens.

8. If the policyholder dies

We will not automatically cancel the **policy** if the **policyholder** dies. The **policy** will transfer to the **policyholder's** spouse or partner or the eldest child over the age of 18, subject to their agreement to continue the **policy** and accept its terms and conditions.

9. Third party claims

You must let **us** know if **treatment** was needed because someone else was at fault – for example, if **you** were injured as a result of a road traffic accident. **We** may be able to recover the cost of **your treatment** that **we** have paid for. **We** call this a third party claim.

You must notify **us** and keep **us** informed of any claim that **you** are making against the person at fault and take whatever steps **we** reasonably require.

If **we** have made any payment under the **policy** including a payment for **your treatment** then **you** must not settle **your** personal injury claim unless **we** have given **our** agreement to **you** or **your** lawyers.

If **you** recover any payments that **we** have made under the **policy** including any payment for **your treatment** and including any interest on any payments **we** have made, **you** must forward these sums to **us** immediately.

If **we** want to, **we** can bring proceedings in **your** name for **our** own benefit to recover any costs **we** have incurred or payments **we** have made.

We will not pay for any costs, outlays or payments, or claim against any third party for costs, outlays or payments that are not covered by the **policy**.

We will have full discretion in the conduct of any such proceedings and in the settlement of any claim.

We cannot offer **you** legal advice.

10. If you have other insurance

If **you** have any other insurance covering any of the benefits **you** are entitled to from this **policy**, **you** must let **us** know and provide **us** with any information **we** may require as **we** may recover **our** share of these costs from that other insurer.

11. Law

This contract is governed by and shall be construed in accordance with English law and shall be subject to the exclusive jurisdiction of the courts of England and Wales.

If **we** decide to waive any term or condition of this **policy**, **we** may still rely on that term or condition at a later time.

This **policy** does not give any rights to any person other than the **policyholder** and **us**. No other person will have any rights to rely on any terms under the **policy**.

Notwithstanding any provisions of this **policy**, **we** will not be obliged to exercise or comply with any of **our** rights and/or obligations under this **policy** if to do so would cause (or may be reasonably likely to cause) **us** to breach any law or regulation in any jurisdiction.

How to claim

Expert Select

You must call us before going ahead with any treatment.

- If your GP advises that you need to see a specialist, you need to ask for an open referral. This details the type of specialist you need to see, but doesn't name a specific specialist or hospital.
- Call our customer service helpline on **0800 158 3333**.
- If your claim is covered by the policy, we'll give you a choice of local hospitals and specialists who meet our quality standards. In most cases, we can transfer you to the booking team at your chosen hospital straightaway to make your first appointment.

If you have treatment with a hospital or specialist that has not been agreed by us, we won't pay that provider's fees.

Hospital lists.

We strongly recommend that you call us before any treatment or diagnostic tests take place so that we can tell you if the treatment's covered, if there are any limits that apply, and if you need to complete a claim form.

- If your GP advises that you need to see a specialist, ask for a referral.
- Call our customer service helpline on **0800 158 3333**.
- If you have an open referral which details the type of specialist you need to see, but doesn't name a specific specialist or hospital, we can give you a choice of specialists who work out of the hospitals on your list. This sometimes means you can get an appointment quicker, as you can arrange an appointment with a specialist who can see you at a time that suits you.
- If you have a named referral, we'll check that the specialist is recognised by us.
- If we have a network for your condition, we can direct you to a facility within the network that meets our quality standards.

If you have treatment with a provider that we do not recognise, we won't pay that provider's fees.

Whenever possible we'll assess your claim over the telephone. Our experienced claims consultants will talk you through the claims process and advise you what to do next.

If we require the completion of a claim form, we'll need 5 days to assess it. We do not cover GP charges or fees for completing a claim form if the claim is not covered by the policy.

We may ask for more information to assess your claim, such as:

- medical reports relating to your treatment
- previous medical records
- a doctor's report if we need one, and
- original bills and receipts where appropriate (not copies).

If your claim continues for some time or the symptoms re-occur, we may ask for more details to check that the claim is still valid.

Claims payments

Most hospitals will settle charges directly with us, although some may ask you to pay and then reclaim the money from us. You should check the bill on leaving the hospital or facility. The hospital or facility will then forward it to us for payment.

Sometimes you might be sent the bills first. All you need to do is forward them to us with a fully completed claim form (if one has been requested) or with details of your full name, address and policy number. We will then pay the provider (for example the hospital or specialist) direct for eligible costs. We pay all costs in sterling.

If you would like details of the bills we've paid for your treatment, please call us on 0800 158 3333 and we'll send you a summary.

We do not pay any claims if premiums are not paid up to date at the time your treatment takes place.

Calls to and from Aviva may be recorded and/or monitored.

The data controller(s) responsible for this personal information is Aviva Insurance Limited as the insurer of the product. Additional controllers include Aviva UK Digital Limited if you took your policy out online and Aviva Health UK Limited/your intermediary (as applicable), who are responsible for the sale and distribution of the product and any applicable reinsurers.

Personal information we collect and how we use it

We will use personal information collected from you and obtained from other sources:-

- to provide you with insurance: we need this to decide if we can offer insurance (to you) and if so on what terms and also to administer your policy, handle any claims and manage any renewal;
- to support legitimate interests that we have as a business:
 - we need this to manage arrangements we have with reinsurers and for the detection and prevention of fraud
 - we also use personal information about you to help us better understand our customers and improve our customer engagement. This includes profiling and customer analytics which allows us to make certain predictions and assumptions about your interests, make correlations about our customers to improve our products and to suggest other products which may be relevant or of interest to customers,

which includes marketing products and services to you

- to meet any applicable legal or regulatory obligations: we need this to meet compliance requirements with our regulators (e.g. Financial Conduct Authority), to comply with law enforcement and to manage legal claims; and
- to carry out other activities that are in the public interest: for example we may need to use personal information to carry out anti-money laundering checks.

As well as collecting personal information about you, we may also use personal information about other people, for example family members you wish to insure on a policy. **If you are providing information about another person we expect you to ensure that they know you are doing so. You might find it helpful to show them this privacy notice and if they have any concerns please contact us in one of the ways described below.**

The personal information we collect and use will include name, address, date of birth, current state of health and any existing conditions of each person included in the application. If a claim is made we will also collect personal information about the claim from you and any relevant third parties. We may also need to ask for details relating to the criminal convictions of you or somebody else covered under your policy. We recognise that information about health and offences or criminal convictions is particularly sensitive information. Where appropriate, we will ask for consent to collect and use this information.

If we need consent to use personal information for a specific reason, we will make this clear to you when you complete an application or submit a claim. If you give us consent to using personal information, you are free to withdraw this at any time by contacting us – refer to the “Contacting Us” details below. Please note that if consent to use this information is withdrawn we will not be able to continue to process the information you gave us for this/these purpose(s). This would not affect our use of the information where consent is not required.

Of course, you don't have to provide us with any personal information, but if you don't provide the information we need we may not be able to proceed

with your application or any claim you make.

Some of the information we use as part of this application may be provided to us by a third party. This may include information already held about you within the Aviva group, including details from previous quotes and claims, information we obtain from publicly available records, our trusted third parties and from industry databases, including fraud prevention agencies and databases.

Credit Searches

To ensure we have the necessary facts to assess your insurance risk, verify your identity, help prevent fraud and provide you with our best premium and payment options, we may need to obtain information relating to you at quotation, renewal and in certain circumstances where policy amendments are requested. We may undertake checks against publicly available information (such as electoral roll, county court judgements, bankruptcy orders or repossession(s)). Similar checks may be made when assessing claims.

Automated decision making

We carry out automated decision making and customer profiling to decide whether we can provide insurance to you and on what terms, deal with claims or carry out fraud checks. In particular we use an automated underwriting engine to provide a quote for this product, using the information we have collected.

On-line information

When you visit one of our websites, we may record your device information including hardware and software used, general location, when and how you interact with our websites. This information is retained and used to note your interest in our websites, improve customer journeys, determine pricing and/or offer you available discounts.

How we share your personal information with others

We may share your personal information:-

- with the Aviva group, our agents and third parties who provide services to us, your intermediary (if applicable) and other insurers (either directly or via those acting for the insurer such as loss

adjusters or investigators) to help us administer our products and services;

- with clinicians, including hospitals, and third party case managers from whom you and others covered under your policy receive insured treatment or who manage your care or treatment pathway;

- with other organisations including insurers, public bodies and the police (either directly or using shared databases) for fraud prevention and detection purposes;
- with reinsurers who provide reinsurance services to Aviva and for each other. Reinsurers will use your data to decide whether to provide reinsurance cover, assess and deal with reinsurance claims and to meet legal obligations. They will keep your data for the period necessary for these purposes and may need to disclose it to other companies within their group, their agents and third party service providers, law enforcement and regulatory bodies

Some of the organisations we share information with may be located outside of the European Economic Area ("EEA"). We'll always take steps to ensure that any transfer of information outside of Europe is carefully managed to protect your privacy rights. We need to keep information for the period necessary to administer your insurance and deal with claims and queries on your policy. We may also need to keep information after our relationship with you has ended, for example to ensure we have an accurate record in the event of any complaints or challenges, carry out relevant fraud checks, or where we are required to do so for legal, regulatory or tax purposes.

Please note that the Financial Ombudsman Service will only consider your complaint if you have given us the opportunity to resolve the matter first. Making a complaint to the Ombudsman will not affect your legal rights.

Clinical complaints

Clinical services or providers are not regulated by the Financial Conduct Authority (FCA) and are not subject to our complaint process set out before.

For clinical complaints relating to the conduct or competency of your specialist or the facilities at which they practise, these need to be directed to the specialist and hospital or clinic directly.

For your information, the responsibility for investigating and responding to clinical complaints is as follows:

- If your complaint is about a hospital/clinic or specialist, whether through a network or otherwise, it will be investigated in accordance with the complaints process in force at the relevant hospital/clinic, please contact the hospital directly.
- If your complaint relates to a third party clinical case manager, this will be investigated by the clinical provider who employs that case manager.
- If your complaint is about a network therapist (e.g. physiotherapist, counsellor, psychologist) this will be investigated by the independent clinical provider responsible for the therapist network.

Once you have contacted the provider who is responsible for investigating and responding to your clinical complaint, they should advise you of the full complaints process which will also include any escalation details should you require these.

While Aviva do not have a role in investigating and responding to clinical complaints, Aviva record clinical complaint volumes and investigation outcomes. If you would like to inform us of a clinical complaint outcome please contact us using the details provided before.
