Benefit terms

1. The date for determining the benefits available for **treatment** shall be the **relevant date**.
- 2a. All costs for which benefit is claimed must:
 - i. be **medically necessary**, and
 - ii. unless otherwise specified in this **policy** be wholly and exclusively for the purpose of **treatment of acute conditions** on a short term basis.

Benefit is only payable in respect of **treatment** that aims to return **you** to the state of health **you** were in immediately before suffering the disease, illness or injury or which leads to **your** full recovery.

- b. **We** cover **specialists'** fees up to the limits in **our** fee schedule. If the fee is higher than the limit in **our** fee schedule, it is **your** responsibility to pay the **specialist** the difference.
You can view the fee schedule online at aviva.co.uk/health/online-fee-schedule or call **our** customer service helpline on 0800 158 3102. Calls to and from Aviva may be recorded and/or monitored.

- c. **We** will pay in full for consultations with a **fee approved specialist** or other **fee approved** practitioner. If **you** have an eligible consultation with a **specialist** or other practitioner who is not **fee approved**, but is recognised by **us, we** will only pay up to the limits **we** pay **our** fee approved providers. This could leave **you** with a shortfall that the **policy** does not cover. If the actual cost of the consultation is less than the amount **we** would have paid to a **fee approved** provider, **we** will pay for the consultation in full. If **you** see a specialist or practitioner who is not recognised by **us, we** will not pay their fees.
3. Benefit may only be claimed for the medical services specified in this **policy** if they are provided in the **UK**.
4. If **you** receive **treatment** as an **in-patient** or **day-patient** in a **hospital** that is not
 - included on **your** hospital list, or
 - an NHS pay-bed at an NHS **hospital**but is recognised by **us, we** will calculate the average cost of

equivalent **treatment** across all **hospitals** on **your** list and that average cost is the maximum **we** will pay. This could leave **you** with a shortfall that the **policy** does not cover. If the actual cost of the **treatment** is less than the average cost, **we** will pay the **hospital** costs in full. **We** will cover **specialists'** fees up to the limits in **our** fee schedule.

If **you** receive **in-patient** or **day-patient treatment** in a **hospital** that is not included on **your** hospital list and is not recognised by **us**, **we** will not pay any **hospital** fees for **your treatment**.

If **you** receive **treatment** as an NHS **in-patient** or **day-patient** whilst occupying an NHS amenity bed (a bed paid for by **you** in a single room or side ward in an NHS **hospital** recognised by **us** where **you** receive NHS **in-patient** or **day-patient treatment**), and that **treatment** would have been covered by the **policy** if **you** had chosen to receive it as a private patient, **we** will reimburse **you** for the cost of the amenity bed.

We will pay the fixed cost for the amenity bed only; **we** will not pay for additional extras (such as visitor meals).

If **you** claim for the cost of an NHS amenity bed **you** cannot also claim NHS cash benefit for the same **treatment**.

5. Benefit A(v) and C(v) (psychiatric treatment). **We** cover acute psychiatric conditions. This means **we** will cover **treatment** which aims to lead to **your** full recovery.

BUT:

We do not cover

- **treatment** that is given solely to alleviate symptoms, or
- chronic psychiatric conditions.

We consider a psychiatric condition to be chronic if:

- it meets the definition of a **chronic condition**, or
- **we** have paid for **your treatment** for that condition or a **related** psychiatric condition during three separate **policy years**. This will

Benefit terms

apply to acute flare-ups of a **chronic condition**, it will also apply if the **treatment** was not in consecutive **policy years**.

We do not cover **treatment**, including **diagnostic tests** to treat or assess learning difficulties or developmental or behavioural problems such as Attention Deficit Hyperactivity Disorder (ADHD) and Autistic Spectrum disorders.

Psychiatric **treatment** is not available under any other benefit.

6. Benefit B (i) (NHS cash benefit)

NHS cash benefit is not available:

- if **you** are a fee paying patient of any kind
- for the first three nights following an **accident or emergency admission**, or

- if **you** claim for the cost of an NHS amenity bed for the same **treatment**.

8. Benefit B (viii) (stress counselling helpline). This service is designed to be available 24 hours a day but some reasonable delay may be experienced. This is not an emergency service.

You may call on behalf of another **insured person** subject to any patient confidentiality requirements of the service provider. In using the helpline, **you** (where applicable, on behalf of another **insured person**) automatically authorise the use and disclosure of any medical or other information, on a fully confidential basis as between **us** and any service providers **we** use in making the service available, for the sole purpose of **policy** and service administration.

We will not be responsible for any failure in the provision of the helpline service to the extent that it is due to circumstances beyond the reasonable control of **us** or any of **our** service providers.

Call charges are the responsibility of the caller.

This guaranteed loyalty bonus does not apply to child dependants, included by their parents under this **policy**.

5. Insurance of family members

a. The **policyholder** and the intending **insured persons** must supply **us** with all information necessary in order to enable **us** to assess the risk. **We** are authorised to request a medical examination for the purpose of underwriting and to that end to appoint a physician.

b. Where parents/guardians have covered their children under this **policy** cover for such children will not continue beyond the next **review date** following their 18th birthday, which will be extended up to their 26th birthday for unmarried children in full time education.

c. For so long as an **insured person** and two of his or her children under the age of 18 or if unmarried and in full time education, under the age of 26, remain covered under the **policy**, the third and subsequent children of one such **insured person** will be covered under the **policy** at no additional premium.

d. All **insured persons** shall be insured on the basis of the same **hospital** and benefit options.

e. All those named on the **policy schedule** will be covered on this **policy**. The **policyholder** cannot add new members to the **policy**.

Conditions

6. Cancellation

Important note

The Consumer Insurance (Disclosure and Representations) Act 2012 sets out situations where failure by a policyholder to provide complete and accurate information requested by an insurer allows the insurer to cancel the policy, sometimes back to its start date and to keep any premiums paid.

The **policyholder** must take reasonable care to provide complete and accurate answers to any questions **we** ask either in an application form, over the telephone or by any other means when the **policyholder** takes out, makes changes to or renews the **policy**.

When the policyholder may cancel the policy:

The cooling off period

The **policyholder** may cancel the **policy** for any reason within 14 days of renewing the **policy** or receiving the **policy** renewal documents, whichever is the later (this is called the 'cooling off period'). Provided no claims have been made during the cooling

off period **we** will refund any premium already paid during that time.

After the cooling off period

The **policyholder** may cancel the **policy** after the cooling off period, but **we** will not refund any premiums that have been paid for cover up to the cancellation date.

If the **policyholder** has paid an annual premium, **we** will refund the premium that has been paid for the time that the **policy** is no longer in place (from the cancellation date to the end of the **period of cover**).

If **you** wish to cancel **your policy**, **you** can do so by notifying **our** customer service department in writing at:

Medios customer service department
(Dept. 57)

Aviva Health UK Limited
Chilworth House
Hampshire Corporate Park
Templars Way
Eastleigh
Hampshire
SO53 3RY

or by calling **us** on 0800 158 3101

You are advised to call **our** customer service helpline to discuss **your** options before taking this step. Calls to and from Aviva may be recorded and/or monitored.

When we may cancel the policy

If the **policyholder** has not taken reasonable care to provide complete and accurate answers to the questions **we** ask (see Important note above):

- **we** may cancel the **policy** back to its original start date and refuse to pay any claim, or
- **we** may not pay any claim in full, or
- **we** may revise the premium, or
- the extent of cover may be affected.

If **we** cancel the **policy** for this reason, the **policyholder** will be entitled to a refund of the premium paid in respect of the cancelled cover, less a proportionate deduction for the time **we** have provided cover, unless **we** are legally entitled to keep the premium under the Consumer Insurance (Disclosure and Representations) Act 2012.

If a claim made by, or on behalf of, the **policyholder** or a **insured person** is in any way fraudulent or fraudulently exaggerated or supported by a false statement or fraudulent evidence, **we** may:

- refuse to pay the claim, and
- recover any sums paid by **us** in respect of the claim.

In addition:

- where the claim is made by, or on behalf of, the **policyholder, we** may cancel the **policy** back to the date of the fraudulent act and keep all premiums. This will end the cover of the **policyholder** and all **insured persons** listed on the **policy schedule**, or
- where the claim is made by, or on behalf of, an **insured person, we** may cancel that **insured person's** cover back to the date of the fraudulent act and keep premiums in respect of that **insured person's** cover. Alternatively, **we** may apply different terms (in line with reasonable underwriting practice) to that **insured person's** cover.

If **we** cancel the **policy** or any **insured person's** cover for these reasons **we** will notify the **policyholder** (and the relevant **insured person**) in writing by first class post or by hand to their last known address.

If any premium is not paid, the **policy** will automatically be cancelled. **We** will reinstate the cover if the premium is paid within 45 days of its due date and there are no claims pending.

Conditions

We will not cancel the **policy** because of eligible claims made by any **insured person**.

7. Claims procedure

- a. Before undertaking any **treatment** (unless a medical emergency) covered by this **policy**, **you** should notify **us** of its proposed nature and the name and address of the **specialist** and **hospital** concerned, so that **we** can tell **you** whether the **specialist** and **hospital** are recognised by **us**. **We** advise that where possible claims should be authorised in advance of **treatment**, but this will obviously not apply to emergency admissions.

In order to confirm cover before claiming **we** must receive all necessary medical information at least five working days prior to any proposed **treatment**.

- b. **You** must submit to **us**, as soon as possible after issue date, the original bills.
- c. All documents or material (including but not limited to accounts, certificates and X-rays) that **we** require to support a claim, shall be provided without expense to **us**.

We do not cover **GP** charges or fees for completing a claim form if the claim is not covered by the **policy**. Only original receipts will be accepted.

- d. **You** must ensure that any bills sent to **us** state the **insured person** treated and the attending physician, as well as a specific statement of the **treatment** or services rendered. **You** must supply **us** with any further information as required.
- e. Claims may only be made for **treatment** actually given during a **period of cover** and benefit will be available only for expenditure incurred prior to the expiry or termination of such a **period of cover**.
- f. Where **treatment** continues over an extended period of time updated claim information may be required at regular intervals, which may include a claim form.

8. Third party claims

You must let **us** know if **treatment** was needed because someone else was at fault – for example, if **you** were injured as a result of a road traffic accident.

We may be able to recover the cost of **your treatment** that **we** have paid for. **We** call this a third party claim.

You must keep **us** informed of any claim that **you** are making against the person at fault and take whatever steps **we** reasonably require.

If **we** have paid any costs for **your treatment** then **you** must not settle **your** personal injury claim unless **we** have given our agreement to **you** or **your** lawyers.

If **you** recover costs **we** have paid for **your treatment**, including any interest on any payments **we** have made, **you** must forward these sums to **us** immediately.

If **we** want to, **we** can take proceedings in **your** name for **our** own benefit to recover any costs **we** have incurred.

We will not pay for any costs or claim against any third party for costs that are not covered by **your policy**.

We cannot offer **you** legal advice.

9. Other insurance

If **you** have any other insurance covering any of the benefits covered by **your** Aviva **policy**, such as other private medical insurance or travel insurance, **you** must let **us** know and **we** may recover these costs from that other insurer.

10. Transfer

If the **policyholder** dies the **policy** will be transferred to the **policyholder's** spouse, civil partner or partner if they are currently an **insured person** who shall upon the date of death of the **policyholder** become the **policyholder** for all purposes of this **policy**, and be responsible for paying the premium. This is subject to the **insured person** agreeing to become the **policyholder**.

11. Changes to your cover

We may change the terms and conditions of the **policy** at the **review date**. If there are changes to the **policy**, **we** will let **you** know before the next **review date**. If **you** decide to cancel the **policy** as a result of such changes, you must let us know, either by writing or calling our customer service department.

Only Aviva can make changes to the terms and conditions of the **policy**.

The **policyholder** cannot make any changes to their **policy**.

12. Fraudulent/ unfounded claims

We act on the basis of information that the **policyholders, specialists**, providers and **hospitals** provide. **We** take a very serious view of fraud or dishonesty in any claim. **We** will investigate fully any instance of suspected fraud or dishonesty whether by customers or providers of healthcare. **We** will report and share any cases of fraud with other organisations and public bodies including the police.

13. Payments for ineligible treatment

If **we** agree to pay for **treatment** that is not normally eligible on **your policy**, this does not mean that **we** will make another payment for **treatment** in the same or similar circumstances.

Any payments **we** do make towards the cost of ineligible **treatment** will count towards any benefit limit listed in **your policy** terms and conditions.

14. Validity

The insurance is valid in the **UK** and can be concluded only by persons permanently domiciled in the **UK**, this means living in the **UK** for 6 months or more of every year.

15. Law

The law of England and Wales will apply to this contract unless:

- the **policyholder** and **we** agree otherwise, or
- at the date of the contract, the **policyholder** is a resident of Scotland, Northern Ireland, Channel Islands or the Isle of Man, in which case (in the absence of agreement to the contrary) the law of that country will apply.

If **we** decide to waive any term or condition of this **policy**, **we** may still rely on that term or condition at a later time.

16. Third party rights

This **policy** does not give any rights to any person other than the **policyholder** and **us**. No other person shall have any rights to rely on any terms under the **policy**.

How to claim

When you are referred by your GP, please call us on 0800 158 3102. Calls to and from Aviva may be recorded and/or monitored.

If your GP has given you an open referral, with no specialist name, we can help to name the specialists in your area that work out of a hospital on your list. This sometimes means you can get an appointment quicker, as you can arrange an appointment with the specialist that can see you at a time that suits you.

If your GP has given you a named referral, we will check that the specialist is recognised by us.

Whenever possible we will assess your claim over the telephone but we may require the completion of a claim form. Our experienced claims staff will then talk you through the claims process and advise you what to do next.

We strongly recommend that you call before any planned treatment or diagnostic tests take place so that we can tell you if:

- the treatment is covered
- your specialist or hospital is recognised by us

- there are any limits that apply to your cover, or
- you need to complete a claim form.

It will help if you can give us the following information:

- your symptoms and the date when they began
- details of your treatment, when and where it is due to take place and how long it is expected to last, and
- your specialist's full name and address.

You need to give us all the information we need to assess your claim, for example:

- a completed claim form if we ask for one (we need 5 working days to assess claim forms)
- any medical reports relating to your treatment
- previous medical records
- a doctor's report if we need one, and
- original bills and receipts where appropriate (not copies).

Please remember, we do not cover GP charges or fees for completing a claim form if the claim is not covered by the policy.

If your claim continues for some time or the symptoms re-occur, we may ask for more details.

Claims payments

We pay all costs in sterling.

Most hospitals on your list will settle charges directly with us, although some may ask you to pay and then reclaim the money from us. You should check the bill on leaving the hospital or facility. The hospital or facility will then forward it to us for payment.

Sometimes you might be sent the bills first. All you need to do is forward them to us with a fully completed claim form (if one has been requested) or with details of your full name, address and policy number. We will then pay the provider (for example the hospital or specialist) direct for eligible costs.

If you would like details of the bills we have paid for your treatment, please call us on 0800 158 3102 and we will send you a summary.

We do not pay any claims if premiums are not paid up to date at the time your treatment takes place.

Personal information we collect and how we use it

We will use personal information collected from you and obtained from other sources:-

- to provide you with insurance: we need this to decide if we can offer insurance (to you) and if so on what terms and also to administer your policy, handle any claims and manage any renewal;
 - to support legitimate interests that we have as a business:
 - we need this to manage arrangements we have with reinsurers and for the detection and prevention of fraud
 - we also use personal information about you to help us better understand our customers and improve our customer engagement.
- This includes profiling and customer analytics which allows us to make certain predictions and assumptions about your interests, make correlations about our customers to improve our products and to suggest other products which may be relevant or of interest to customers, which includes marketing products and services to you
- to meet any applicable legal or regulatory obligations: we need this to meet compliance requirements with our regulators (e.g. Financial Conduct Authority), to comply with law enforcement and to manage legal claims; and
 - to carry out other activities that are in the public interest: for example we may need to use personal information to carry out antimoney laundering checks.

Use of personal information

This may include information already held about you within the Aviva group, including details from previous quotes and claims, information we obtain from publicly available records, our trusted third parties and from industry databases, including fraud prevention agencies and databases.

Credit Searches

To ensure we have the necessary facts to assess your insurance risk, verify your identity, help prevent fraud and provide you with our best premium and payment options, we may need to obtain

We may undertake checks against publicly available information (such as electoral roll, county court judgements, bankruptcy orders or repossession(s)). Similar checks may be made when assessing claims.

Automated decision making

process which will also include any escalation details should you require these.
